

HEART OF THE WORLD

Heart of the World

by H. Rider Haggard (1856-1925)

Published in 1895, H. Rider Haggard's *Heart of the World* tells of the search for a secret and hidden Mayan civilization living in a lost city filled with gold and jewels! It is also a love story of a couple willing to give up everything, and I mean EVERYthing, for true love. And it is a melodramatic adventure story of good against evil. I am not sure which side wins... however it is a wonderful read!
